Mark Anthony Abogador Villanueva

has successfully completed the online, non-credit Specialization

Digital Product Management

You've mastered the foundations of running a modern product program in digital, from chartering a team with high alignment and high autonomy to facilitating a testable view of your progress with hypothesis-driven development. You are now ready to lead a modern product team. This specialization can be accessed at:
<https://www.coursera.org/specializations/digital-product-management>

Alexander Cowan,
General Faculty
University of Virginia
Darden School of
Business

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
